

Tips for Viewing Bethany's Live Stream

We are delighted to know that many members of our congregation are participating in weekly worship via YouTube (either the live stream or later in the day or week).

We are also aware that people are watching on a variety of devices with different screen sizes and realize that reading the words to the hymns on a small screen can be difficult. To that end, we've prepared the following suggestions to aid your worship experience.

- Access YouTube from a "smart" TV with an Internet connection, or a streaming device such as a Roku, Amazon Fire Stick, Apple TV, or Google Chrome, and search for "Bethany Lutheran Church Batavia".
- Access YouTube from a regular TV that has cable service that provides access to YouTube, and then search for "Bethany Lutheran Church Batavia".
- If you are viewing on a PC, open two windows, one to YouTube, the other to the bulletin found on www.bethanybatavia.org at the Worship Page.
- Print the bulletin prior to the service if you have the equipment.
- Come to the church office and sign out a hymnal
